About Online Business Matching Event organized by Aichi-Nagoya Startup Consortium

Aichi-Nagoya is home to TOYOTA, DENSO, AISIN, and many others, especially in the automobile, aerospace, and robotics sectors.

Aichi-Nagoya Startup Consortium was launched in April 2020 to promote the continuous development of startups and local companies that are the leaders of the local economy in Aichi Prefecture and Nagoya City.

Online Business Matching Event~Manufacturing × Startup~

We are pleased to announce that Aichi-Nagoya Startup Consortium is holding the 3rd round of the Online Business Matching Event starting from November 2022 to February 2023. We look forward to meeting prominent startups from all over the world having high possibility to collaborate with manufacturing-related enterprises in Aichi Prefecture.
